Procedure

The day will be run as one on-line session using Zoom.

Clubs will be provided with the link which may be distributed to members. CACC will use a Zoom licence with enough spaces for any likely audience. There is no charge for attendance. Those attending are requested to keep their video off and microphone muted throughout.

To avoid disruption, there will be no admission during each event.

Only a selection of images will be shown for each event on the day. Clubs will be provided with a link for each competition to view a video compilation of all the images.

The results will be announced at the event and posted on the CACC website.
