## **Projected Championship**

The Projected Championship determines which Clubs are invited to represent the CACC in the PAGB InterClub Projected Championship. After setting aside any Club with an automatic invitation from the Photographic Alliance, the top two Clubs will be invited by CACC to compete at the PAGB InterClub Projected Championship. A Club may decline its invitation, and CACC will then invite Clubs in the descending order of merit. In the event of ties, CACC will determine the order of invitations.

The General Requirements for Events and the Media Requirements apply.

### **Entries**

Clubs submit 15 images, with not more than 3 images per photographer.

None of the images may be the same as those included in a Print Championship entry shown on the same day.

Refer to the General Requirements for eligibility and other relevant issues.

Refer to the Media Requirements for preparation of projected image files.

Instructions about entries will be published on the web site. All entries are made on-line using accounts issued to Clubs, and must be submitted according to the timetable given in the Events Calendar.

The entered images will be considered by CACC for selection into the PAGB InterFederation Projected Images Competition and Exhibition. Photographers may instruct the selectors to exclude their images from this process.

### **Club Awards for Projected Images at the Championship Day**

A winner's Certificate, and a runner-up Certificate, based on overall scores for the set of images. In the event of a tie for highest Club score, the tied Clubs will each receive a winner's Certificate.

### **Individual Awards for Projected Images at the Championship Day**

The Best Projected Image Cup and a winner's Certificate, for the image chosen collectively by all the judges.

Judge's Choice Certificates for the images chosen by each judge individually.
